Give with Gateway

Gateway community Church invite you to our fundraising day on 26th March 2022.

Supporting:

- Jason Lee House - Ilford, Essex
- The Welcome Project (Healthy Living Projects) – Ilford, Essex

Where we work

As a charity we try to help our local community in different ways. On 26th March we will be holding a fund-raising event where we are inviting our members, their families and friends to join us in raising funds in support of the two charities above. Both charities, being local to us, serve the London Borough of Redbridge.

What we need

In addition to money, the charities accept donations of long-life food (no pasta), toiletries such as shower gel, toothpaste, deodorant, shampoo, female products and so forth. These can be brought in on the day. Pleas'd be assured that 100 percent of your donations will be delivered to the charities.

What you should do before the March 26th

Although, on this occasion, we won't be organising an overall sponsored event for everyone's participation, please feel free to arrange your own fund-raising effort, for you and your friends, leading up to the 26th.

What will happen on the day

On 26th March, between 2:00 pm and 5:00 pm, we will convene at the Gants Hill United Reformed Church where you will be able to drop off your donations and meet members of Gateway. The representatives from Jason House and The Welcome Project will also be on hand, over refreshments, to provide more information about the work they do.
